No	Case Number	Class A POV Accidents by Accident Class for FY 2013 October 1 2012 through 21 December 2012 and Type of Vehicle is All POV except Motorcycle Accident Class = A Total number of Occurrences: 13
1	TBD	PLR 13027
2	20121219002	Soldier was operating his POV while in leave status when he apparently lost control and overturned after veering off the freeway. Soldier was ejected and partially pinned by his vehicle. He was pronounced dead at the scene.
3	20121209001	Soldier was operating his POV with a female passenger when he apparently lost control, left the road, and struck a tree. Soldier was reportedly NOT wearing his seatbelt and died on impact. His passenger was wearing her seatbelt and sustained injuries for which she was hospitalized.
4	20121201001	Soldier was operating his POV at a reportedly high rate of speed when he left the road and struck a roadside utility pole. Soldier was pronounced dead at the scene. Seatbelt use not reported to date.
5	20121130001	Soldier was operating his POV with a female civilian passenger when he lost control and entered the opposing lane of traffic, colliding with an approaching vehicle. Both Soldier and his passenger sustained fatal injuries as a result. Seatbelt use not reported to date.
6	20121129002	Soldier was operating his 2006 Mazda en route to his duty station when he apparently lost control on a curve and ultimately impacted a tree in the adjacent wood line. Soldier was pinned in the wreckage and sustained unrecoverable brain injury and passed away on 4 Dec 12.
7	20121125001	Soldier was reportedly driving a POV, and crashed into the wall of a vacant structure. Soldier was pronounced deceased at the scene. Investigation is ongoing.
8	20121121001	Soldier was on terminal leave and traveling with his daughter, when he was involved in an automobile accident. He was pronounced deceased by the Medical Examiner from the flight for Life on the Scene. His three year old daughter was airlifted to the Medical Center, medical status unknown.
9	20121115003	Soldier was riding on a float in a parade when it was struck by a train at a rail road crossing the Soldier was pronounced dead upon arrival to the hospital.
10	20121109001	Soldier was operating his POV with a civilian, female passenger, when he apparently attempted to negotiate a train crossing while the arms were lowered. He reportedly attempted to bypass the crossing and his vehicle was subsequently struck by the approaching and killed.
11	20121104001	Soldier was a passenger in the back of a pick up when he slid out of the back and into the roadway where he was struck by another vehicle and pronounced dead at the scene.
12	20121024002	Soldier was en route back to Ft Knox from Lexington, KY, when his vehicle struck a guard rail. Soldier was reportedly wearing his seatbelt but suffered severe injuries and passes after he was removed from life-support. Fatigue is suspect.
13	20121023002	Soldier was operating her POV a vehicle entered her path from a median crossing. Soldier's Subaru was struck broadside on the driver's side and the airbag deployed. Soldier was wearing her seatbelt but suffered critical/multiple injuries as a result and died two days later.
